M'BWEBE ISHANGI RE-RELEASES: ANALITIKUL COGITATIONZ: A MEMOIR (2nd EDITION)

READ THE STORY WHERE CONSCIOUSNESS MEETS THE PARANORMAL!

BROOKLYN, NY, April 15, 2016 — M'Bwebe Ishangi releases the 2nd edition of his first book, 'Analitikul Cogitationz'. Originally published in 2007, this 2nd edited version gives a more clear depiction covering the first few yearz after he was re-introduced to Afrikan consciousness and cultural awareness by way of a spiritual Sankofa.

To understand the mind behind the Da Ghetto Tymz magazine (DGT), Analitikul is a time-lined written memoir of M'Bwebe's experience of what he terms "where consciousness meets the paranormal."

For nearly twenty-five yearz Ishangi has attempted 'shock therapy' on the mindz of Afrikan people by challenging us to dispute everything from history to politics, diet to religion, on down to historic African-American organizationz. His quest was and alwaysz will be to challenge you; to dare you to face who taught you; to reveal that not everything you may believe now, you had the opportunity to thoroughly investigate.

In his memoir, Ishangi revealz a series of spiritual encounterz he once was afraid to speak about and how it helped him implement free-thinking principles in the 'quest' of 'quest'ionz called life. You may or may not agree with the message he conveyz, but this book is written in hopes you will use his perspective arguments presented as inspiration to further confirm your own beliefs whatever they may be.

About Da Ghetto Tymz magazine

Da Ghetto Tymz magazine (DGT), founded April 10, 1993, is an Afrikan-centered publication geared toward raising cultural awareness in the areas of history, health, politics, and spirituality. It serves to annihilate false perceptions of the Afrikan experience chauffeured by the western-eurocentric mindset.

DGT debuted on the internet January 1995 as not only one of the first print and online platforms, but probably the first Pan-Afrikan-centered publication and website to be viewed on the internet.

More information about Da Ghetto Tymz magazine can be found at daghettotymz.com.

About DGTv

Using the technological advances of watching video content on the internet, DGTv debuted in 2005 as one of the first websites to provide online viewing interactivity.

DGTv serves as a visual compliment to DGT, providing users the option to experience content on our culture by watching Video Articles (short documentaries) instead of reading. It's simple, just click, watch, and become enlightened.

You can watch DGTv at daghettotymz.com/dgtv.html.
