Welcome to our 2013 DGTEE Summer Catalog!

As a lover of T-shirts, a few years ago I was thinking about how hard it was to find shirts with a conscious element to it.

In 2011, I decided to create our own line of 'DGTEEz' that embrace the Pan-Afrikan/Nile Valley theme hoping this is a perfect way to get people talking about our heritage. And I must say, the support has been amazing! So much so, we now have nearly 40 designs (to date) in over 100 styles—and counting!

I invite you to take a look at this season's catalog! Buy a few and share with even more! And look out for additional pieces throughout the Summer!

I appreciate your continued interest and support!

Abibifahodie (Afrikan Liberation)!
