DEVELOPMENT SOLUTIONS

We offer a full range of design, web and mobile/tablet services. We handle all sorts of projects from the smallest logo to enterprise level business partnerships. Each level includes a set amount of work hours with a menial charge for each additional hour needed.

QUESTIONNAIRE & PROJECT ESTIMATE

NEBULATION.COM

i. Level One - quote range: \$900 - \$1,200.00 includes 100 hours

For websites generally requiring an estimated 4-8 pages. A Level One project gives the client with a lower budget a highly professional and dynamic website with some advanced front end and back end functionality.

ii. Level Two - quote range: contact us for estimate. includes 100 hours

The scope of Level Two includes custom design, programming, multi-media incorporation, e-commerce development, database development, and/or professional branding development. Ideal for your more interactive/entertaining site looking to infuse HTML5, Flash, music and/or video. Custom made for any kind of business looking for greater visual impact and website capability.

iii. Blog/WordPress sites - quote range: \$350 - \$900.00 includes 35 hours

Blog or WordPress sites entail a simpler design with a more universal template.

iv. Smartphone/Tablet App for iOS and/or Android - quote range: contact us for estimate. includes 100 hours

Businesses everywhere are creating mobile apps to enhance their sales and operational initiatives. Mobilize your business for Smartphones and tablets on iOS and/or Android platforms.

3. NEBULUTION STUDIO VIDEO PROJECTS

We create shorts, music videos, documentaries and other digital video to DVD and/or internet projects.

Interested in free consultation call: Yes No

4. NEBULUTION STUDIO CUSTOM SPECIALS

i. Brand Identity Marketing

Have a Brand that needs to reach a broader demograph? We offer consulting services to meet the unlimited opportunities in networks and monetize products for your Brand's ever-expanding market.

Interested in free consultation call: Yes No

ii. Digital Magazine/eBook - quote range: contact us for a quote and/or consultation

With today's technology, you can eliminate printing costs by publishing your publication online. Complete with print-ready HTML5/Flash-animated Flipbook page turns, the reader will have the experience of reading a real magazine/book on their computer screen, tablet or mobile device.

Interested in free consultation call: Yes No

iii. Webmercials - quote range: contact us for a quote and/or consultation

With the merge of internet and television, all kinds of video can be seen on websites and YouTube. We specialize in developing 'webmercials' or 'website commercials'. Our team can help create a storyboard, shoot and edit that can both be seen on a website as well as emailed to your e-list.

Interested in free consultation call: Yes No

iv. Animated Banner Ads - quote range: contact us for a quote and/or consultation

Do you have a website or advertise on other sites? Entice your visitors with an animated intro or message banner. Place an intriguing animation at your website to gain visitors attention, and clearly communicate the nature of your business/event. We can make an animation as simple as rolling swooshes, and as advanced as a television commercial, combining a fresh idea, exciting effects, and original sound.

Interested in free consultation call: Yes No

v. e-Flyers - quote range: contact us for a quote and/or consultation

Tired of the usual flyer? Set yourself above the competition with an e-Flyer, a new and innovative way to promote your business or event utilizing animation and sound! Simply attach in an email and entertain your medium in a way seldom seen!

Interested in free consultation call: Yes No

v. Catalogs - quote range: contact us for a quote and/or consultation

Ideal for merchant and clothing designers who wish to have multi-seasonally-specific catalogs minus the cost of printing and storage. We can design a catalog for both web view via Flipbook and CD. For musicians, add some pizzazz to your catalog complete with an interactive mini-website.

Interested in free consultation call: Yes No

vi. Interactive CDs - quote range: contact us for a quote and/or consultation

Perfect for publications who'd like to provide articles, audio interviews and PDF versions of newspaper, magazine or journal as well as Promo CDs complete with mini-website and musical tracks for Musicians.

Interested in free consultation call: Yes No

5. COMMENTS/SPECIAL REQUESTS/NEEDS

PROJECT PAYMENT METHODS

We gladly accept pay installments and are willing to establish customized pay plans.

WEBSITES, MAGAZINE/BOOK LAYOUT, CATALOG & INTERACTIVE CDs, WEBMERCIALS:

Our default plan is in 3 payments starting with 1/3 up front to be disclosed upon agreement. The 2nd due half-way through the project based on the launch date with the final payment due upon completion of the project. We are willing to establish customized pay plans.

NOTE: Your project will not be released until final payment is accepted.

LOGOs, eFLYER, ANIMATED AD:

We accept 2 payments starting with 1/2 up front to be disclosed upon agreement. The 2nd and final payment is upon completion of the logo. We are willing to establish customized pay plans.

NOTE: Your project will not be released until final payment is accepted.

The duration of each project is ranges anywhere between 30 days to a few months. If an extension is needed we express the right to do so.

In the case of a 90-day project the final installment is due on the 85th day regardless of status of site.

All payments are to be made via Paypal to: sales@daghetotymz.com

After agreed quote, Nebulation Studios will forward a formal contract.
